ATTN: Board of Commissioners

SUBJECT: REMONUMENTATION PEER GROUP RECOMMENDATION GRANT YEAR 2023

Dear Board of Commissioners,

The 2022 grant year began with 3130 of 4054 corners completed through the Remonumenting Process and we hope to add another 38 corners by the end of this year. I am recommending the following licensed surveyors (respective firms listed) on the attached list of the peer review members for the 2023 Allegan County Remonumentation program.

Also, as stated in the 2020 Revised County Plan, following are guidelines as it regards to the peer group: The county peer review group will include only Professional Surveyors licensed in the State of Michigan. A firm may choose to have multiple Professional Surveyors listed as alternate peer group members, however, surveyors from the same firm share one vote, and share one fee for the meeting. It is important that peer group members attend the meetings (at least one per firm). Occasional missing of a meeting will happen, but consistent lack of attendance will be grounds for dismissal from the group at the County Representatives discretion and may put at risk their respective firms "contract surveyor" status which will also be at the County Representatives discretion (appeal of this decision can be made to the County Administrator and the County Board of Commissioners). Prospective persons desiring to become members of the peer review group should consult with the County Representative and it is recommended that they attend meeting(s) as members of the public (not compensated) in the prior grant year to learn the expectations of the role and show desire to become part of the group.
