To: Users of this report

From: Matthew Woolford MMAO 4, Director of Equalization

This report was assembled as a tool to respond to the questions presented to various county offices throughout the year relating to the tax rates on properties within Allegan County. Each user should be cautioned that the rates and revenues shown in this report do not include any amounts for special assessments (except unit-wide advalorem special assessments), IFT/CFT/RE2 tax levies, tax administration fees, delinquent interest or penalties. While these additional costs may not apply to a particular property, investigation of each property situation is suggested to insure tax cost information.
